

BULGARS THINK WAR OVER WITH MACEDONIA OCCUPIED

[Republican A. P. Leased Wire]
PARIS, Dec. 4.—The Athens correspondent of the Hava agency sends the following dispatch under current date:
It is reported from Florina that the Bulgarian troops remain camped in the vicinity of Monastir, at a place named St. Kiriaki. A delegation of the inhabitants went out to the Bulgarian outposts to notify the troops that they could enter the

town. The Bulgarian officer said that he had no orders to enter the town and recommended that the inhabitants organize a civic guard to maintain order.
Bulgarian deserters arriving at Florina say that the great majority of the Bulgarian soldiers think that the war has been ended by the occupation of Macedonia and do not want to continue fighting in the interests of the Germanic powers.

FORD PEACE PARTY SAILS FOR EUROPE

[Republican A. P. Leased Wire]
NEW YORK, Dec. 4.—Members of the Ford peace expedition boarded the Scandinavian-American steamer Oscar II. today and expect to reach Christiania on December 14.
Ford's guests include 84 peace envoys, 54 newspaper men and magazine writers and three moving picture men.

The peace delegates were red hot when hearing a white star and the words "Out of the trenches by Christmas."
To accommodate a number of peace advocates who arrived too late to sail on the Oscar II, it was announced at the Ford Peace headquarters here that reservations will be made for them on the Frederick VIII of the same line, which sails on December 8. This second party may number a dozen and it was announced it will include three governors, who did not go on the Oscar II. Their names were not revealed.

Included among those who missed the Oscar II, was Frederick Bruce Davis, a Yale student, who, after a hurried trip from San Francisco, sacrificed his ambition in order to save Alice Park of Palo Alto, Calif., a soft-fragrance worker, the disappointment of being left behind. Davis helped Mrs. Park to get her ticket, and after he saw her safely aboard the ship, returned to purchase his own ticket, only to reach the pier a moment too late.

DYNAMITER DEFENSE EXPENSES CROP UP IN SCHMIDT TRIAL

[Republican A. P. Leased Wire]
LOS ANGELES, Dec. 4.—Correspondence, which is believed to have passed between J. J. McNamara, secretary-treasurer of the I. W. O. of America, and Frank C. Weiss, a member of the executive board of the International Association of Bridge and Structural Iron Workers, and which referred to expenses said to have been incurred in the defense of a dynamiter, was read today at the trial of Matthew A. Schmidt, charged with the murder of Charles Hagerty, one of the victims of the Los Angeles Times disaster on October 1, 1914.
The letters contain references to the employment of an attorney and the furnishing of bonds, and although no names were mentioned in the letters, they are declared by attorneys for the

SERBS DEFEND MONASTIR WITH ODDS AGAINST

[Republican A. P. Leased Wire]
PARIS, Dec. 4.—A dispatch to the Temps from Milan says that a special correspondent of the Milan newspaper Secolo who was present at the evacuation of Monastir, had sent the following story from Florina, Greece, under date of Thursday:
"The Serbs held back their advances throughout Wednesday but the pressure of the Bulgarians descending from Kichevo threatened the road of retreat from Monastir to Resna and forced Col. Vassitch to abandon the city. Wednesday at 10 p. m. a Serbian battalion passed through the city in retreat, taking the route to Resna. The Serbians gave an impression of resolute heroism. They defied through the streets in good order and in absolute silence."

"The mayor and the prefect organized an improvised police service hospital containing about three hundred wounded, above which was hoisted the American flag. Colonel Vassitch gave to the American mission for distribution among the poor 30,000 pounds of provisions. Colonel Vassitch remained almost until the last. He left at 12:30 a. m. in an automobile with the officers of his staff. The colonel made this statement:
"If the Bulgarians succeed now in cutting the route between Resna and Monastir they will be able to march upon Ochrida and cut the retreat of the Serbian army of the north which is retiring toward Struga and Elbasan (Albania). We now have a mission to defend the defile of Resna. I hope that up to the last minute we shall be able to make of the river Cerna a new Yser. We have resisted to the last, and I am sure it is impossible to withdraw the greatly superior forces. We will fight to our last man, sure of the final victory of the allies, sure of the resurrection of Serbia."

"Colonel Vassitch before leaving Monastir posted a permanent explanation to the inhabitants of the necessity for the retreat. The mayor, prefect and other city officials left by train for Florina. This Thursday morning the last of the Serbian companies left the city with their machine guns, leaving the Greek flag hoisted above the railway station. The railroad service continues."

CENTRAL SCHOOL SALE BLOCKED BY SMALL VOTE

But one out of fifteen voted: Proposition to sell Property Loses by Vote of 128 to 121

Less than one out of fifteen voting, taxpayers in school district No. 1 yesterday voted down the proposition to authorize the school trustees to sell the Central school to sell the block. The actual vote was:
Yes.....121
No.....128
The election was called to determine the will of residents of the district toward the sale of the Central school property, either as a whole for not less than \$200,000 or in blocks, at prices ranging from \$2,500 to \$25,000. The ballots carried much information regarding the manner in which the board might act.
The only notable thing in connection with the smallness of the fractional vote.
